

# Communication for Community

## Building Bridges of Understanding

Ecovillage of Sieben Linden, Germany

1-8 of February, 2015

### Are You Interested To:

- Improve your communicative skills to foster mutual understanding and co-creative conversations in your circles?
- Meet, share best practice and learn with other educators and trainers from all over Europe?
- Study in a living and learning centre, where people have been living in community for many years?

### This is a professional training during which we will:

- Enquire into the pain and beauty of communication
- Explore how to avoid misunderstanding and separation, and how to heal conflict
- Deepen into the power of collective wisdom and co-creation as a group
- Further unleash our potential as active citizens
- Coach each other to improve our presentation skills
- Share social tools for community and team building
- Address issues around decision making, status and power
